$ git commit -m "added student.txt to repository"
[master (root-commit) cad3b9f] added student.txt to repository
Committer: Rukayat adedamo Jimoh <100654285@oncampus.local>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly. Run the
following command and follow the instructions in your editor to edit
your configuration file:

    git config --global --edit

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author

1 file changed, 2 insertions(+)
create mode 100644 student.txt

100654285@UOSL19-356KZW2 MINGW64 ~/lab1 (master)
$ git config --global --edit
